

Savitribai Phule Pune University

Design Innovation Centre & Central Instrumentation Facility

in collaboration with

Department of Chemistry

Comprehensive Training Workshop on

HPTLC and HPLC Applications

Monday, 24 February 2025

Key Highlights

- Fundamentals of HPTLC and HPLC
- Practical Demonstrations
- Troubleshooting and Optimization
- Advanced Applications

Registration Details (Fees):

- Students: Rs. 2000
- Faculty Members: Rs. 2500
- Industry Professionals: Rs. 3000
(Includes refreshments & certificate of participation)

Who Should Attend?

- Academicians & researchers in chemical, pharmaceutical, and biological sciences
- Quality control & R&D professionals
- Students aspiring for a career in analytical chemistry
- Industry professionals seeking advanced analytical skills

Why Attend?

- Learn from experienced professionals
- Gain practical skills for career growth
- Network with peers & experts in the field

Last Date for Registration: 21st February 2025

Limited Seats: 30 candidates (first-come, first-served basis)
